DEATH OF LILLIAN GREEN.

The Actress Succumbs to Typhoid Fever in New York.

NEW YORK July 22.—Lillian Green, the actress, died Saturday in Roose-velt Hospital from typhoid fever. She was taken to the hospital two weeks ago, after being brought here from Chicago, where she had been playing the principal part in "King Dodo" at Studebaker's The-In 1896 she was married to Charles F. Adee, the yachtsman, and was divorced from him about two years agt.

Preferred Death to Blindness. RENOVO, Pa. July 22.—Suffering with an affliction of the eyes, and fearing that she would lose her sight, Mrs. Sadie Wal-ters attempted suicide Saturday by cutting her throat with a razor.

The Attorney General Wants a Most Imposing Structure.

He Will Ask Congress to Supplement the Old Appropriation for the Erection of a New Home for the Department of Justice.

An effort will be made to get the aud for the Department of Justice

of his connection with the Department of which will be capable of housing that deartment for many years to come. His Mr. Griggs. Where the latter contented

equiring an entire block in the centre Government. No attempt has yet been made by Mr. Knox to formulate his ideas Although the force is hampered by the

rected, one that will stand for many ears and be worthy of the city and the The heads of the other depart- the city without one of the various offiice should be located near the site of the old building, which was across from the Treasury Department, and do not fav-or the idea of a Temple of Justice for the

"I had estimates submitted on the plans drawn under Mr. Griggs for the erection of a building on the plot new owned by the Government opposite the Treasury, and for which Congress appropriated \$1,000,000. To erect the building within the appropriation the superstructure would have to be of terra cotta, which is enqueezing it could be built of imestone, but marble or granite would be entirely out of the question. I think it would be better for the Government to acquire one or the other of the two blocks and I hope Congress will take the same

More than two years ago Attorney General Griggs reported to Congress that the building then occupied by the department was about to fall down and he feared a An appropriation of \$1,000,000 was speedily made for a new building and the Attorney Seneral announced that he wished to have

uldings and ground.

The other block mentioned is covered rith fine residences, the most noted of thich is the Beale property, at H Street and Jackson Place. This block could be equired for probably one-half the cost f the other.

THE MINERVA BOILER TESTS. Only the Official Report Will Show

Results. LONDON, July Z.-Precise garding the boiler test carried out on nd the Hyacinth, with Belleville boilers, e impossible, pending an official detailed head fully an hour and a half ahead the Hyacinth, thus obtaining an easy n it was hoped to have been, owing

nks, which compelled them to run at ow speed for about twenty hours. The Minerva occupied 75½ hours in cov-ing 1.160 miles. Her average speed, ring 1.169 miles. Her average speed, when not delayed by fog, was 18.67 knots, and the Hyacinth's about 18 knots. On eaving Gibraitar the Hyacinth's boilers ustified the claim made for them of suberior quickness in attaining full power, hus enabling her to get a good lead. The dinerva, however, overhauled her, although whether this was in any degree uttributable to good fortune in running hrough the fog cannot yet be ascerained.

tined.

The Minerva had no trouble throughout he voyage, except a slight overheating f the bearings, which was soon remedied. He Hyacinth, on the other hand, met none of those serious mishaps which used the outery against the Belledlie boilers. While coming up the Chanel one of her boiler tubes split, and a coker was severely burned. Her stokers omplain that the heat in the stokehold excessive.

Simeon L. Rogers Dead.

HARTFORD, Conn., July 22.-Simeon L. Rogers, a descendant of the original Rog-ers, who made a reputation in the silver plating trade, died yesterday at Lake ice, a summer resort near here Mr. Rogers was about fifty-five years

NO PLACE FOR CRIMINALS.

Evil-Doers Regard the National Capital With Apprehension.

The good record made of late by th Police Department of this city has been a matter of comment among police officials of other cities and has resulted in Wash pided by the members of the crimina ses, who for a time have been giving District of Columbia a wide berth in

their journeys about the country.
"There's no use in trying to turn a trick in Washington," one of them was whether you do anything or not you ar sure to be nabbed. If you are wanted Practically no fugitive from justice

mbition to leave as a permanent record ocal police for any length of time and crimes committed, is greater here than in any other city of the country. This condition of affairs is largely due to the predecessor, Mr. Griggs, once thought he was destined to erect such a structure in his administration, but he was disappoint-Mr. Knox, however, goes further than ters into it also. There is probably no police official in the United States who himself by asking a total appropriation of the recent order of the Commissioners, the first total appropriation of the recent order of the Commissioners, the first total appropriation of the recent order of the Commissioners, which came to light today, would seem to of a building on a quarter of a block, the remarked that if he could only adequately impress upon every man in the department the value of time it would ouliding which will be a credit to a great be practically impossible for any criminal

for presentation to Congress, but he has a general plan in his mind.

"The Government owns a part of the miles of territory that is embraced in the properly cover the sixty-four square miles of territory that is embraced in the period, and that before making requisitions." polock opposite the Treasury, he said, and a part of the block opposite the War to thoroughly cover every avenue of esrere it large enough. There is abundance f ground were it all together. I believe would be better, instead of attempting the state of the commission of such a to erect a small building on either site to purchase half or the whole of one or the other of the two blocks. The site intended of or the new building at the corner of Pennsylvania Avenue and Jackson from whatever case he may be working Square, opposite the Treasury Depart-ment, or the site of the old Corcoran Art Gallery, opposite the War Department, gitive. Major Sylvester takes control of could be sold and the proceeds applied toward the condemnation of the ground position of the force, some of them beon the other square not owned by the lovernment and could be done by act of Congress, as the Government frequentsells parcels of its real estate.
"I do not think that under any circumtances less than half a block should be es of the various precincts are called out evoted to the new Department of Jusce, and I greatly favor an entire block. or districts, some of them dressed in citibuilding such as the Treasury, or the Var, State and Navy Building should be thus covered—the depots, every road, bridge, or footpath-and it is practically impossible for anyone to pass out of

> If a reasonably accurate description of the person has been secured and sent out

ther cities in case an escape should have een effected. Every device for the rapid mination of orders and prompt return of reports is quickly adopted by the Police Department and eternal vigilance

happening that may come under his notice.

The new Tenth precinct has been equipped with a number of new devices looking to the prompt handling of police business, among them being a sliding pole from the dormitory floor to the stable. In ease of fire riot, or other emergency the police in this station jump from their beds, much as the firemen do, and jumping into their clothes slide down the polic to the floor of the stable, where they find the horse already harnessed to the wagon and ready to carry them to whatever point they are needed. As strong as the reconstruction of the older stations will permit it is the intention of Major sylvester to provide similar devices for all of the stationhouses.

THE CONGRESS HEIGHTS FLAG. It Will Represent the White House,

the Capitol, and the Town. who has been a guest of Arthur E. Randle Branch Road to the Takoma Park for several weeks, addressed the citizens of Congress Heights Saturday night. The Avenue, Takoma, to store of W. J. Git adopting a flag or emblem for the town representing the three elevations of the White House, the Capitol, and Congress and the other in blue, with a gold back-

ground.

This flag will be unfurled the first time on Labor Day and the Marine Band will be engaged for the occasion.

Buttons similar to those used in Presidential elections, with the design on them, will be given to all residents of Congress Heights on that day.

124c the Yard, from 50c. First Floor-Tenth Street. Special Sale of

BOOKS.

(Basement.)

The sale of the 3,000 volumes purchased a short time since and marked at great reductions from former prices has met with quick response. Embracing as it does books in nearly every department of literature, it is of great interest to students, librarians of schools and public libraries and Sunday schools and to literary folks in general who wish to add good books to their home libraries at

little prices. Over 2,000 titles are represented-and while many have been sold there yet remains a choice selection.

These books are offered at Less Than Half

the Regular Prices.

Nearly all are bound in cloth and were published to sell at 50c, 75c, \$1.00 and all the way up to \$4.00 and \$6.00. They have been arranged on tables, easily accessible, all the same price together, as follows:

10c, 15c, 25c, and 50c.

A catalogue of many of the books in this collection has been prepared and will be mailed free upon request. Book Dept.-Basement.
